

## Annual Report 2022-23

My hearty welcome to one and all. I would like to thank you all for responding to our invitation and gracing this occasion.

I have great pleasure in presenting to you the Annual Report. This year has been a very eventful one for us. We have made great efforts to transform ourselves and have been extremely successful in most of our endeavours. Apart from preparing the children to qualify for purely academic demands, special efforts are being made continuously to enable them to face the challenges of the competitive world. It's a matter of great importance to us that the students who pass out from our portals should carry forward the values they have inherited, excel in whatever they do and be role models in the society. Our school is having 100% CBSE board result for four years consecutively. This year, total 29 students appeared for the Class 10<sup>th</sup> Board exams where they outshine with the score of 96% as highest and one of the students securing 3<sup>rd</sup> position in Tarn Taran District.

A host of co-curricular activities have been organized during the year. To promote the competitive spirit and to bring out the talent of the students, they are encouraged to participate in various co-curricular activities. Competitions like Calligraphy, Drawing and Painting, Essay writing, singing, Recitation, Dance, Fancy dress, Spell Bee, Mono action and mimicry, Dramatics, diya painting etc. were conducted during the course of the year. The school has many students who not only excel in academics but also in the area of Dance, Music, Theatre and art.

Social Responsibility: it is important for the children to realise how privileged they are to have wonderful parents like you. The school focuses on the concept of sharing and helping others with the help of Guru Ji Sab Tera Tera Club where all the needy people are provided with the goodies contributed by the students.

### Sports and Games:

The school has always been taking initiatives to get the best talent in the sports arena. We have consolidated the sports activities on regular basis. The sports program helps us in identifying talent in particular sports and give more exposure to the students.

All the good work of the school has been possible with the cooperation of our highly qualified and dedicated faculty. Our thanks to the management committee of our school for their able guidance and encouragement. If I were to put all the events at UA in a Nutshell, we encourage a child to observe, to explore, to experiment, to probe, to analyze, to confront problems & find the solutions, Finally to develop the skills essential to face the future.

I would like to conclude by extending our sincere thanks to all the parents and each one of you our well wishers who have lent a supportive hand down through the years, in all our endeavours to produce a confident, educated and capable batch of students each year. Thus, shaping the future of your children who are the destiny of this country. I hope you enjoy the cultural programme, presented by our students and your evening with us is a pleasurable one.

**Thank you.**
